Officers Re-Elected At Farm Bureau Meeting

D. M. Bennett of Madison township, who has been president of the Soloto County Farm Bureau for the past twelve months, was chosen for the annual meeting of the Farm Bureau held at the Universal garage with about fifty members in attendance.

Not only was President Bennett re-elected, but his entire staff was chosen to work with him for another year. The other officers are John Rapp, Washington township, vice-president; Dan Van Gorder, Portsmouth, secretary and treasurer; women directors-at-large, Mrs. J. W. Spriggs, Lucasville, Mrs. John Wiley, West Side, Mrs. Charles Helt, Minford, and Mrs. Frank E. Oakes, Haverhill.

The annual meeting was held this morning and afternoon. Murray D. Lincoln, executive secretary of the Ohio Farm Bureau Federation, was to have been a speaker this morning, but did not arrive in the city until noon. His place on the program was given over to O. P. Nuetzel, Columbus, representing the Ohio Farm Bureau Service Company.

Mr. Nuetzel spoke on co-operative buying and marketing and the benefits that farmers receive from organization. County Farm Agent Walter E. Gahn read his annual report, and Secretary-Treasurer Dan VanGorder made his report. Mr. Gahn's report showed that he made 251 farm visits, had 1247 office calls, 141 office days, 168 field days, held 18 training meetings, with an attendance of 189, 47 demonstration meetings, with an attendance of 1,017 and took active part in five farmers' institutes, with an attendance of 2,564.

Specialists spent 54 days here assisting in Farm Bureau work. Local leaders gave 385 days' assistance and 22 junior leaders helped in meetings. In connection with soils and crops work, 16 pasture improvement demonstrations were started, one limestone bin was put into successful operation, 4 limestone and fertilizer schools started, 2,400 bushels of Northern Certified seed were introduced, 600 bushels certified seed wheat introduced and assistance was given in the Annual Crops show at Lucasville.

Four feeding schools were held in connection with dairying, 6 poultry demonstration farms were in operation with five clubs boasting of 24 members. Model poultry house construction campaign was started and fair exhibits held.

Mr. Gahn was also busy in swine, horticulture, health, nutrition and clothing work. The main speaker this afternoon was Mr. Lincoln, who spent some time in discussing general farm bureau activities throughout the state. He stressed the importance of organization and progress being made by farmers in co-operative marketing organizations. Mr. Lincoln is no stranger to rural folk of Soloto county for he has been here several times. He is an able speaker and always has an interesting message for the farmer and his wife. Mr. W. Brady, extension worker of Ohio State University, assisted in the state leader of boys' and girls' club work spoke on club work.

Gels "Pounding" on Birthday; Rib Broken

Marque, son of Mr. and Mrs. Joseph Switalski of Fifth and Offshore streets, will always have occasion to remember his tenth birthday anniversary, celebrated on St. Patrick's Day.

Companions at the Holy R-

deemer school reminded him of the event so forcibly that one rib was broken, the result of the playful "pounding" they gave him. Marque is laid up at his home and is now suffering from a high fever.

Award Contract For Green Township School

Another modern school building for Green township will be built at Junior Furnace, on Gennett's Creek, just off Galia pike, contracts for the erection of the new building being let yesterday, when the School Board members met in the office of County School Superintendent E. O. McCowen, with Architects DeVos and Donaldson also present.

J. E. Marshall, contractor, working on the new school at McDermott, was awarded the general contract at his bid of \$46,000. Plans call for a township grade and high school building that will be modern in every detail. The structure will provide six grade rooms, four recitation rooms, study hall, combination gymnasium and auditorium, laboratory, domestic science, manual training rooms, two rest rooms and principal's office.

Other bidders on the general contract were Chappellear, Gardner Construction Co., Paul G. Williams Co., J. F. Warner and McCabe and Proctor, of Portsmouth; P. W. Johnson, South Webster, and Jones and Latlow of Solotoville.

The Columbus Heating and Ventilating Co. got the heating job for \$8,023, which includes automatic controls. Bacon and Saunders, of Dayton, were successful bidders for the plumbing. Their figures of \$4,262 include installation of the water supply system.

The Walters Plumbing Co., of this city were awarded the wiring, for \$602.

INSTITUTE AT STOCKDALE

A Farmers' Institute opened at Stockdale today and will continue through Thursday. Corwin Kaovle, of the Washington Jersey Dairy, was a speaker on the program today. He spoke on pure bred cattle. Tomorrow County Farm Agent

W. E. Gahn will speak at the morning and afternoon sessions on "Cows and Soy Beans and Community Team Work." Manager Adam Frick of the Chamber of Commerce will speak on Good Roads Thursday afternoon.

Hospital Bond Issue Before Council Tonight

Previously reported. Mills was assessed a penalty of \$100 and costs for possessing a still and was seized by the officers at his home on Stony Run.

Marriage License
William Nowlin, 22, writer, city, and Gladys Smith, 25, waitress, city. Both colored. Rev. R. R. Reed.

The legislation providing for an additional bond issue of \$500 to complete the additions and make other improvements to Hempstead hospital will be given a final whirl at the regular meeting of council tonight when the measure is scheduled to come up for passage on the third reading. The previous vote on the ordinance stood 5 for to 3 against and in order to pass the legislation it must get six favorable votes on the final reading.

Facts In The Jenkins Case

John W. Clohocy, post office inspector, who was in the city today to present the facts. Jenkins was indicted February 15 by the U. S. District Court grand jury, Southern Ohio, Cincinnati, on four counts. On March 1 he appeared before U. S. Judge Hickenlooper. He pleaded guilty to the charge and upon appeal for leniency from prominent people of the city, including Postmaster Harsha, Judge Hickenlooper reduced the sentence to the minimum, one hour in the custody of the U. S. Marshal at Cincinnati. Jenkins also refunded in two of the counts included in the indictment.

In view of divulgent statements concerning the Jenkins case, I wish to present the facts. Jenkins was indicted February 15 by the U. S. District Court grand jury, Southern Ohio, Cincinnati, on four counts. On March 1 he appeared before U. S. Judge Hickenlooper. He pleaded guilty to the charge and upon appeal for leniency from prominent people of the city, including Postmaster Harsha, Judge Hickenlooper reduced the sentence to the minimum, one hour in the custody of the U. All Records Are Broken At Fisher and Streich's Where Young Explains Pepgen

The crowds of Portsmouth people who called on J. E. Young yesterday at Fisher & Streich's Pharmacy corner, Chillicothe & Sixth streets to learn about his medicine, Pepgen, exceeded the record of all previous days. During the entire day scores of people called at this well known drug store to interview Mr. Young and learn about Pepgen. Among the Portsmouth people who have been relieved by Pepgen is Mrs. D. S. Wear of 307 Third street.

"Pepgen is surely a good medicine," said Mrs. Wear, "and I am glad to recommend it to the people of Portsmouth for I know it is a good medicine."

For some months I have been suffering with a weakened condition of the stomach and I was very nervous. I realized something had to be done. After my meals a gas would form in my stomach and bloat me up. This gas would press up against my heart and cause it to pain me.

I felt depressed and tired all the time and I became very nervous. This gas bothered me worse at night. Often I would not go to sleep for hours after I went to bed. In the morning

I would be all worn out. My tongue would be coated and I would often have a bad headache. "All this is changed since I began taking your Pepgen. My appetite is fine now and I can eat anything I want without having any trouble with my stomach. My nerves are in much better shape too. I go to bed and sleep fine and in the morning I wake up fresh and ready to get up and do a good day's work."

"I am glad to recommend Pepgen to the people of Portsmouth for I know it is a good medicine."

Mr. Young, who is now at Fisher & Streich's introducing his medicine has made an exhaustive study of men and herbs. Pepgen is an herbal remedy discovered after many years of research work. It is recommended for stomach, liver and kidney ailments and for catarrh.

CAUTION: The genuine Pepgen, which Mrs. Wear has recommended, is packed in a white, blue and green carton and may be obtained in Portsmouth only at Fisher & Streich's Pharmacy, cor. Chillicothe and Sixth streets.—Advertisement.

Farm Expert Talks To Kiwanians

The problems of the agricultural interest of Ohio were thoroughly set forth in an able address delivered before the Kiwanis Club at their Wednesday noon luncheon at the Mary Louise, by Murray D. Lincoln, Columbus, connected with the Ohio Farm Bureau Federation.

The address of Mr. Lincoln, delivered in a calm but forceful manner, was one of the best ever heard by the club, which came forth with a large attendance. Mr. Lincoln, who was introduced to the club by County Farm Agent, W. E. Gahn, argued along economic lines, claiming that an economic ill required an economic remedy—that some way must be found to increase the pro-

ducing power of the farmer's products—that he received but 38 cents of the dollar paid for his products by the consumer. Mr. Lincoln did not deny high wages, but he stated that permanent prosperity could not come until there was an equalization. He claimed that candidates for congress were playing politics practically all the time, and that out of the thirty measures introduced in congress for the relief of the agricultural interests of the country, 90-12 per cent would accomplish nothing.

Preceding the address by Mr. Lincoln, the Kiwanians were led through a lively song service by the wielder of the baton, Roger

Selby, and this was then climaxed by several selections by Prof. Arthur Lynn, the Scotch tenor, who is leading the big chorus during the Bigelow Methodist revival. Rev. Harry E. Bright accompanied Prof. Lynn in an original song that is destined to make as big a hit as "Yes, We Have No Bananas." It is the product of Dr. Bright, who did not disown authorship even after the rendition.

Slight Blaze

The companies from the Galia and Billipole fire stations responded to an alarm at the noon hour Wednesday and suppressed a small blaze at the home of Otto Salsbery, 1635 Robinson avenue, N. and W. engineer, which originated from sparks from a fire alighting on the roof. The flames ate a hole in the roof and ignited material in the attic before the firemen arrived and extinguished the blaze. The damage was small.

Court House

Assigning Special Docket. The petit jury will not be required to report for service in Common Pleas court next week because the special docket which is being arranged for Judge Will P. Stephenson, of West Union, will contain only cases for hearing to the court.

Judge Stephenson, who is expected to arrive in this city Sunday, will likely be engaged here most of the week. He will probably be accompanied here by his wife, who has been quite ill for some time but is now improving in health.

Wrestling With The Grip. Attorney R. Kumble was unable to be at his office Wednesday, being detained at his home on Franklin avenue, where he is wrestling, not with legal problems, but with a severe attack of grip.

Adjudged Insane. Mrs. Fanny D. See, 36 years old, was adjudged insane following an inquest held in Probate court Wednesday and she was ordered committed to the Athens state hospital. She is the wife of W. D. See, of Solotoville.

Youths Must Appear. A trio of youths, Lloyd Basham, Ralph Earl and Delfield Watkins will be required to appear in juvenile court Friday to answer delinquency complaints filed against them.

Made Wards of the Court. Edward Gulick and Fred Armstrong, the lads who became involved in an altercation at the close of the boxing contests at the Winter Garden Monday night and engaged in a fight, were adjudged delinquents at a hearing in juvenile court Wednesday and made wards of the court by Judge Gilliland. The boys promised to watch their conduct in the future.

Mills Fined By Foster. McKinley Mills, West Side man, who was caught Monday in a raid by county officers for violation of curfew laws, was fined by Squire Oscar Foster of Washington township, instead of Squire Morgan, as was ex-

America Will Feel Impulse to Work For Peace in Europe, Says Envoy

NEW YORK, March 19. — (By the A. P.)—America will unquestionably feel the impulse to work for permanent peace in Europe on which a large measure of her prosperity depends, and will not leave Europe to stew in her own juice, Sir Esme Howard, new ambassador of Great Britain to the United States, declared today at the Pilgrimage Society annual dinner at the Waldorf-Astoria Hotel. It was his first public address since he assumed his post at Washington.

The customary Anglo-American nature of the function was given a broader international flavor by the presence among the speakers of Ambassador Jules Jusserand of France, and Ambassador Don Juan Riquelme of Spain, while among the hundreds of listeners to their addresses and those by John W. Davis, former American ambassador to Great Britain, and Frank L. Polk, former assistant secretary of state, were citizens of many other European nations.

A cable message from King George of England, expressing his appreciation of the accomplishments of the Pilgrimage Society on behalf of Anglo-American friendship, was read as one sending the good wishes of the Prince of Wales.

Secretary of State Hughes, in a message expressing regret at his inability to attend the dinner, joined in greeting Sir Esme, whom he called "a long known and highly esteemed friend, who represents so admirably the continuance of the tradition of friendly intercourse between the two great powers, whose unity is the cornerstone for all hopes for world peace."

On Friendly Terms
Signs of good will, lacking for many years, Sir Esme said, had appeared on the horizon.

"We, in England," he went on, "have

SECRET OF KEEPING YOUNG
Why is it that some women look older at thirty-five than others do at fifty? Why is it that so many women are always run-down, weak, pale, nervous, irritable and unhappy? Health, vitality and freedom from pain and disease alone can prevent the signs of age from fastening themselves upon women. All over this country women are awakening to the fact that the ill, aches and pains of women may be relieved by Lydia E. Pinkham's Vegetable Compound and the result is renewed life, energy and the joy of health. In fact, the secret of keeping young is to ward off all internal ailments that cause premature old age, which is easily accomplished by this remarkable root and herb remedy.

To Resume Work On Lawson Run Sewer

Board of Control in session yesterday ordered the contractors to at once resume work on the Lawson Run sewer project, which was halted recently because of the discovery of an error in the estimate. This action was taken after a conference with all the interested parties, including the Underground Construction Company, which is handling the contract, and the property owners, who were represented at the meeting by Attorneys A. H. Bannan and J. T. Micklethwait and by Charles C. Horv, who agreed that the work on the improvement should proceed without further delay under the original plan prepared by Pearce, Greeley and Hanson, Chicago consulting engineers, and adopted

by city council, even though it will entail an additional cost of approximately \$54,000 for steel not figured in the original estimate of \$173,000. But two per cent of this expenditure will be paid by the city; it was pointed out, the balance being assessed upon the benefited property, as the original stream was supposed to be assessed.

The suggestion that brick be used for the sewer was made, but the question as to its strength in the big arches was raised, parts of the sewer being exposed and other parts going under the railroad.

All interests represented, including the brick interests, were agreeable to the concrete alternate, it was stated, and the Board of Control acted upon this information.

Resumption of work will take place within the next day or two.

Varnish that Protects the Floor it Beautifies

FLOORS need the protection of a finish that will absorb the shocks of wear without breaking without loss of beauty and without exposing the surface underneath to the destructive action of dirt and moisture.

Devoe Marble Floor Finish Varnish brushes out smoothly and develops a firm, tough body with a brilliant, durable gloss.

It is extremely elastic and thus resists surface cracking and is unbroken... presenting an air-tight seal against dust and moisture that would otherwise destroy the wood underneath.

Dempsey-Firpo Fight Picture at Columbia Thursday, Friday and Saturday, Only.

THE OFFICIAL DEMPSEY-FIRPO FIGHT PICTURES TAKEN AT THE RING-SIDE AT NEW YORK POLO GROUNDS LAST SEPTEMBER WILL BE AN ADDED ATTRACTION AT THE COLUMBIA FOR THREE DAYS, STARTING TOMORROW.

"The greatest fight in the history of the ring," is the way in which experts describe the battle between Jack Dempsey and Luis Firpo, fought in the New York Polo Grounds on the night of Sept. 14, 1923. Fight followers of this city will be enabled to form their own opinions as to the correctness of this judgment when the official pictures of this battle come to the Columbia theater tomorrow for an engagement of three days.

Through the activities of Manager Tynes, the Columbia theater is one of the first in Ohio to exhibit this feature. Only recently was the film passed by the Ohio Board of Censors and given its first showing in Cleveland, where it established a new record for attendance and box office receipts.

The picture is of three reels. Two of these are given over to the fight itself. The battle was a slap bang affair from start to finish, and every detail is shown for the camera recorded every instant of the fight and the spectators' reactions.

Seven knockdowns were scored by Dempsey before he put the champion away for the count. Firpo came back after the fourth knockdown and sent Dempsey through the ropes. All of this is recorded in both slow and fast action. Then there are side lights on the training camps of both men; scenes in the arena before the fight; and other views which make up an intensely interesting record of an unusual news event.

The pictures were recorded by twelve cameras. They are unusually clear and distinct. In fact, it is doubtful if their like will again be recorded in a similar battle, or if a similar battle ever will be fought. For it never has been equalled in ring affairs, nor will it be equaled unless at a future meeting of these two men.

The pictures are shown daily at 1, 3, 5, 7 and 9 o'clock.

City and county health officials were the guests of honor at an elaborate banquet, with roast turkey and strawberry short cake the principal items on the menu, held at the Washington Hotel Tuesday night.

Mayor Ralph C. Case, ex-officio president of the city board, acted as chairman of the meeting, which followed the banquet, and several interesting talks were heard on health matters.

Corwin Knowles, manager of the Washington Dairy farm, was the principal speaker. He urged the adoption of the federal program for the testing of milk cows to determine the presence of tuberculosis, and the program was approved.

Under this system of inspection, when a cow infected with tuberculosis is found and killed, the owner is reimbursed by the government in the sum of \$85 for ordinary stock and up to \$175 for blooded stock.

Mr. Knowles said: "Both producer and consumer will be greatly benefited by this movement. Solato county is well up in the list of tuberculosis deaths, and the movement may have a reduction in this percentage. The state and federal government will stand practically all of the expense. All they are asking is the cooperation of city and county."

The board unanimously approved the proposition last night, and will take more practical action at its next meeting.

Dr. R. W. De Crowe, county health commissioner, was a guest, and expressed a desire for cooperation between city and county authorities for the betterment of the health of the combined community.

Mayor Calvert, in a brief address, declared one of his "paramount interests is the health of Portsmouth. Health and happiness too often go hand in hand, for the former to be neglected by officials who seek the betterment of the people of any community."

Others present were: Members of the board; Dr. J. W. Jordan, W. W. Applegate, Charles Brierley, J. J. Orlett, and James A. Hager. Employees Dr. O. D. Talje, health commissioner, William West, plumbing inspector and sanitary officer, Dr. W. A. Quinn, bacteriologist, Dr. T. G. Crawford, city physician and John W. Berndt, clerk.

SOCIETY

An all-day group meeting of the Portsmouth District Women's Home Missionary Society was held in the Immanuel Church of Ironton, Tuesday, with a large number of women representing the M. E. Churches of this city in attendance. The district includes churches of Wheelersburg, Sciotoville, Jackson and other adjacent towns.

A board meeting was held at 10 o'clock and at 10:30 the regular meeting was opened by the president, Mrs. Howard Sellards of this city, with Mrs. H. G. Allen, group leader, in charge. Mrs. Philip Warr had charge of the devotionals.

Five minute talks were given by the following district officers: Mrs. Howard Sellards, president; Mrs. H. G. Allen, vice-president; Mrs. Harry King, treasurer; Mrs. A. M. Reiser, secretary of Missionary education, and Mrs. E. L. Todd, conference secretary of Missionary education.

Dinner was served at noon. The afternoon session opened at one o'clock with Mrs. H. H. Hancher of the St. Luke's church of Ironton, in charge of the devotionals. An interesting talk on "Children in the Cotton Mills" was given by Mrs. E. L. Porter. Mrs. Groves, who has been a teacher in the Hoboken-McClellan Home at Boaz, Alabama, told in an interesting manner of her work there.

The main address of the afternoon was given by Mrs. A. M. Reiser on "Our Responsibility to the Illiterate and Godless People of Our Country." Among the ladies from this city who attended were Mrs. Terry Davis.

MRS. JOHN WEILER
COLUMBUS, OHIO

"Kadi-ok has built me up wonderfully and has been worth more to me than ten times its price," says Mrs. John Weiler of 404 Carpenter street, Columbus, a member of Morgan Memorial church and widely known here.

"I had stomach trouble for a long time and could not eat the plainest food without feeling distressed afterwards. I was very nervous too, and had no ambition to do my work or anything else. I could not sleep soundly and when I got up in the mornings I was often more tired than when I went to bed the night before."

"I became run-down, my appetite left me. I had no desire to eat, and nothing tasted good to me."

"Kadi-ok helped me; it gave me a good appetite and my stomach got in better shape; it soothed and quivered my nerves and when I went to bed I had no trouble getting to sleep and consequently I soon got stronger."

Kadi-ok can be obtained in Portsmouth at Fisher & Streich Drug Store.—Advertisement.

PRESBYTERIAN REVIVALS OPEN

Special evangelistic services are being held in most of the Presbyterian churches in Portsmouth Tuesday night, being the opening of a two week's campaign in the three local Presbyterian churches. First, Central and Second with out of town ministers as the men in charge of the pulpits.

Dr. Warren Conrad, pastor of the Tremont Presbyterian church of Williamsport, Pa., is at First church and Rev. Francis M. Fox of Philadelphia is filling the pulpit at Second church. Dr. H. A. White of the Westminster Presbyterian church of Youngstown, is in charge at Central church. Services will be held each evening in all three churches starting at 7:15 o'clock.

A goodly number turned out at each church last night to attend the opening service of the campaign.

First Presbyterian
At the First Presbyterian last night Dr. Warren Conrad took for his subject: "The Church's Greatest Need." Constructing his sermon about two of the Bible's narratives of building—the building of the tower of Babel and the building of the Christian church—Dr. Conrad declared: "Every nation, every community, every individual, is a builder. We are all building something, either materialistic or spiritual."

"In the instance of the building of the tower, the end was a materialistic one, while the objective of the disciples in building the early church was most altruistic."

"At both buildings there was a confusion of tongues. In the first instance, this confusion resulted in disaster. In the second, it served to spread the gospel throughout the world."

"The greatest need of the church is prayer. While the disciples were waiting at Jerusalem for the coming of the Spirit, the record says they were tarrying there, praying. If our work is to be that 'not made with hands, eternal in the heavens; we must consecrate our lives in profound prayer to that end.'"

Dr. Conrad will speak on the "Church's Greatest Work," and Friday night will be Young People's night with the sermon subject: "Is Life Worth Living?"

Second Presbyterian
"Digging Ditches" was the subject of Rev. Dr. Francis M. Fox, of Philadelphia. In the first of a two weeks' series of evangelistic services at the Second Presbyterian church last night.

"The irrigation of the waste lands of the west is nothing but a series of ditches. The great canals carrying upon their breasts the commerce of the world are great ditches. A ditch is an important matter, and although the digging of them is humble work, it is a work of utmost importance."

"Some ditches are dug in every life, out of which flow blessings or curse. Lives, themselves, may be harrows or ditches, and I present to you the possibility of proving yourself a channel for the blessing of Christ, whereby it may flow into the life of some other person."

Chas. DeBruin, baritone, sang "What Will You Give For Jesus?" and "A Heart Like Him."

Central Presbyterian
Dr. H. A. White, pastor of the Westminster Presbyterian church of Youngstown opened a two weeks' series of services at the Central Presbyterian church last night, speaking to a large and enthusiastic audience.

Dr. White marshaled a brilliant array of facts before the audience when he spoke on "The Challenge of the Apostolic Church to the Twentieth Century Christian."

As the Youngstown preacher presented this challenge it is three-fold:

- 1.—The challenge of obedience to the Divine Will.
- 2.—The challenge to holiness.
- 3.—The challenge to a passion for souls.

Dr. White is a splendid preacher, a speaker of power, and the sermon of last night bespeaks a large audience at tonight's meeting.

A full chorus choir augmented last night's service, and congregational singing was one of the features of the gathering.

Salvation Army
As the two weeks' revival enters well into the middle of the closing week at the Salvation Army headquarters, the church of Ironton, in charge of the devotionals. An interesting talk on "Children in the Cotton Mills" was given by Mrs. E. L. Porter. Mrs. Groves, who has been a teacher in the Hoboken-McClellan Home at Boaz, Alabama, told in an interesting manner of her work there.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly—Please tell me your opinion of a seventeen-year-old boy who, coming home on a midnight train, gets his "sweetie" out of bed just to say "hello"? Is this proper etiquette or not?
—R. S. V. E.

Dear Dolly—Do you see any harm in inviting a few boys and girls into your home on Sunday evenings to play rummy or dance? I think it much better than running the streets and sitting in machines and being talked about.
Do you think it wrong to go with a fellow who hasn't a very good reputation, but still treats you all right? This fellow I refer to has been in the habit of going with girls of the lower class. When he goes with decent girls he is a perfect gentleman and has the best of manners. How should you introduce a young man to a young woman? What should you do or say when introduced to a man or woman?
—ANNIE.

Dear Dolly—Please tell me if Galia and Chillietho street sidewalks are made for school girls to parade up and down seven days in a week for the benefit of the male sex?
—A CITIZEN.

The Ladies' Aid of the Kendall Hall Avenue Bible Class will meet Thursday night with Mrs. O. E. Kelly on High Street.

Mr. and Mrs. James D. Williams entertained Tuesday evening with a family dinner-party honoring Mrs. Williams' grandfather, Mr. Frank A. Norris whose birthday anniversary was celebrated yesterday.

At a prettily appointed table, covers were laid for Mr. and Mrs. Frank A. Norris, Mrs. A. Blandy Morris and daughters, Mrs. George Shipton and daughter, Janet of Pittsfield, Mass., and Miss Helen Morris, home from O. S. U. at Columbus, Mr. and Mrs. Williams and son Junior.

Mr. and Mrs. Raymond D. York of Fifth street who have been enjoying a trip to the Bermudas, are expected to arrive home Friday, accompanied by their daughter, Miss Ruth York, a student at the Columbus School for Girls who will spend her spring vacation at home.

HICKORY WAISTS

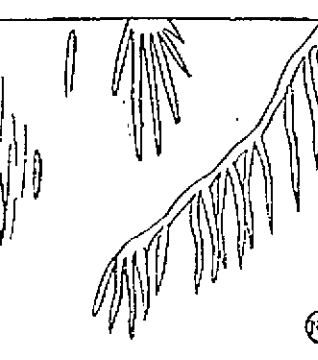

"Button, button, who's got the button?" need never be inquired of a Hickory Waist. The buttons are always right where they belong—unbreakable bone buttons taped on extra strong.

Everything about these waists is strong—the firm fabric, the close stitching, the bound button holes. Hickory Waists wear well and wash wonderfully. It pays to buy them.

ADVENTURES OF THE TWINS Olive Roberts Barton

PATENT-LEATHER PUSS PAYS A PENNY

"Well," said Mister Fuzz Wuzz, the pipe-cleaner man, when the Twins got back to the courthouse in Doonham Land, "did you find the tin mouse?"
"Yes," said Nick, "he's under a board and won't come out. He says to let 'em be his friends." "That shows that his guilt is as plain as the tail on my back," said Mister Fuzz Wuzz, hammering loudly. "This is no place to fight. And since the mouse won't come to court, the court will go to the mouse. Come, ladies and gentlemen!"
The uplink rabbit saw them coming and dropped his ears with joy. "This is great for me!" he shouted at them. "I can't move because I am coming untied. But now I'll see everything."
"My goodness gracious!" cried Nancey. "I could have tied you together, or I never thought of it. Hope I'll give you a good pull and you'll stay together for a long time. There! How's that?"
"Oh, fine, thank you!" cried the uplink rabbit, hopping around and slapping his paws in a tail. "That's the old times!"
"Say," said Mister Fuzz Wuzz sternly, "is this a trial or a hospital for fixing rabbits? We'll better get down to business. Sit down everybody. Where did you say the tin mouse was?"
"He's hiding under that board," said the uplink bunny. "I've been watching so he couldn't get away."

Miss Katherine Welch graciously entertained a number of friends, Monday evening at her home on Second street. Dancing and interesting games of bridge furnished the diversions of the evening, after which an attractive refreshment convivial was served, with dainty favors in keeping with St. Patrick's Day.
Those present for the delightful affair included Misses Mable Clark, Virginia Carroll, Virginia Blake, Pauline Gibbs, Helen Barklow, William Goe, Katherine Welch and Messrs. Charles Mohl, John Sneider, Charles Huth, Edward Fisher, George Walters, Fred Stokes and George Dulosky.

Mrs. Oscar Harris will receive the members of the C. C. Club Friday afternoon at the home of her mother, Mrs. A. M. Winkler, 1729 Olinere street.

Dr. W. W. Estey of Paintsville, Ky. is here for a visit to his daughters, Miss Clara Estey and Mrs. W. A. McGone of Twelfth street and Mrs. George Hawks of Galia avenue.

Mr. and Mrs. W. A. Hatchins are expected home Thursday from Miami, Fla., where they have been since the holidays.

The friends of Miss Ina Dickson and Mr. Robert Rose will be interested to learn of their marriage, which took place last Saturday evening at the home of Mr. and Mrs. Oakley Hall, Prospect street, sister and brother-in-law of the bride, with Rev. O. H. East officiating.

The bride is the daughter of Mr. and Mrs. Charles Dickson of Vanceburg. Mr. Rose is the son of Mr. and Mrs. R. L. Rose, also of Vanceburg, and is employed as a pipe-fitter in the N. & W. shops.

The bride was attired in an attractive spring dress of henna crepe embroidered in gray and gold, with corresponding accessories of gray.

The happy young couple are now at home on Twelfth street.

Mr. and Mrs. Fred Miller of 218 1-2 Market street entertained Sunday with a six o'clock dinner. Covers were laid for the following: Misses Clara and Edna Sutton of 2022 Galia street, Miss Eva Arthur of South Webster, Miss Edna Miller, Lewis Miller, Mrs. Melissa Thompson and Mr. and Mrs. Miller.

Rheumatism is caused by uric acid or body waste matter, and is often generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this poison from the blood and cast it out in the urine; the pores of the skin are also a means of driving the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this toxic acid, which begins accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain, called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is helpful to neutralize acidity, remove waste and stimulate the kidneys, thus helping to rid the blood of these rheumatic poisons.

Jad Salts is the effective and is made from the seed of grapes and lemon juice combined with Epsom, and is used with confidence by tens of thousands of

The A. P.—The shuffling fanciful mind not wholly normal had the first uncertain conviction whether the murder of John Vetoski was a truth or whether they really had custody the Whaley-Morse slaying, giving a detailed confession of the murder in the morning. Vetoski died tonight after a visit to the scene of the crime. The entire story he said, was false.

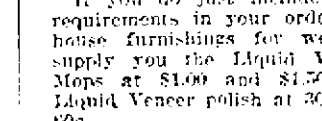

Vetoski related to the official detail, the slaying one by one. He said that he and his brother, George W. Morse, with a friend, an old henchman in the Whaley-Linden on March 11. The body found by neighbors early in the morning piled together on the bed room under a heap of smouldering.

The confessed slayer was taken Linden and escorted through the of the house. Vetoski said that Mrs. Morse was sitting at the table, shot Whaley down in the and lost Mrs. Morse to death entered the lounge while he was trying to burn the bodies. "I believe he is the right man."

BRINGING UP FATHER

S. S. Workers Meet Here Monday

Plans for the county and township officers conference in this city next Monday, to be held in the United Methodist church, are coming along nicely. E. E. Barnhart, the district director, says that a good attendance is assured.

Six counties are included in this district and a good delegation is expected from all of them, but no doubt there will be room in the church building for all others who are interested and will come.

What is meant by county and township officers are those elected in the

Vines Cut Down

CINCINNATI, Mar. 18.—Hains which hampered the Cincinnati Reds in their last game at Orlando, Fla., continued last night and threatened to cause cancellation of the game today between the Cleveland and Cincinnati teams, as the vines from the training camp had not been cut down.

With the coming of the Cubans, Lugo and Doherty, Manager Hendricks began cutting down his hurling staff by releasing Bob Vines.

New Syrup Company

ASHLAND, Ky., March 18.—The Sugar Tree Syrup Company is the latest manufacturing enterprise to be located in Ashlandburg.

The company is organized by out-of-town men.

The syrup is made from sugar and trees from a formula known to Mr. Martin alone. This factory is the second company, the other being in Tampa, Florida.

Be Careful What You Wash Your Child's Hair With

If you want to keep children's hair in good condition, be careful what you wash it with.

Many soaps and prepared shampoos contain too much free alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multisided coconut oil shampoo (which is pure and entirely free of alkali), is much better than anything else you can use for shampooing. It cannot possibly injure the hair.

Simply moisten the hair with water and rub it in. Two or three teaspoonfuls will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dandruff and excess oil. The hair dries quickly and evenly, and it is soft, shiny and silky, bright, fluffy, and easy to manage.

You can get Multisided coconut oil shampoo at any drug store. It is inexpensive, and a few ounces will last for months.—Advertisement.

Wife Slayer Kisses Face Of His Victim

DENVER, COLO., March 18.—(By The A. P.)—Fred Jansson, confessed slayer of his wife, whose body was found by a railroad expressman in a trunk at Ogden, Utah, last Saturday, stooped and kissed the face of his dead wife this afternoon when he was taken to the county morgue.

After identifying the body and explaining in detail how he had beaten her to death with a hammer, he pulled back as he was being led away and again kissed the face of the woman he had confessed he killed.

Jansson today admitted his story of the employment of a Mexican to kill his wife, was untrue and then confessed his part in the crime. He told of slaying his wife with a hammer, last Thursday night at their home here, and then of securing her body in the trunk where it was discovered at Ogden.

DRAWING MCGRAY JURY SLOW WORK

INDIANAPOLIS, IND., March 18.—(By The A. P.)—Prospective jurors for the trial in criminal court here of Governor McCray, charged with embezzlement of state funds, were questioned at length as to whether they had any connection, business or otherwise, with state officials or officers of the utilities or concerns doing business with the state.

Little progress has been made toward actual selection of a jury.

PARIS, March 18.—(By The A. P.)—The government's financial proposals were passed by the senate today, 154 to 23. Attention of more than 100 were regarded as moral votes against the measure.

The senate accepted the bill as it came from the chamber without essential modifications, rather than take the responsibility before the country of defeating Premier Poincaré.

WHY GROW FAT?

Druggist Tells of Easy Pleasant Way to Keep Trim Attractive Figure Even at Middle Age

Thousands of women who have had a trim, stylish figure all their lives, begin to take on weight in early middle life. And because they have heard of "fat and fatty" and because foolish starvation diets, relentless exercises and certain medicines only seem to make their condition worse, they give up all hope and say, "Oh, well, I rather be fat, any way."

But that shows—fat that comes and stays is not only unattractive, but may prove dangerous, a decided disadvantage to your necessary activity and pleasures. So why stay that way?

No special exercises or diets! No dangerous or shocking medicines. Just a cooling, sparkling, appetizing, pleasant, safe—but quickly and noticeably effective.

Worcester Bros. or any good druggist can supply you with a large bottle of Wendell's Suits, Ambition Brand, for 10 cents and will return your money on the first bottle purchased if you are not more than satisfied.—Advertisement.

Kentucky Dry Agents Questioned By Probers

WASHINGTON, March 18.—(By The A. P.)—Behind closed doors the house committee which is investigating criminal charges against two representatives, today questioned Sam Collins, prohibition director for Kentucky, and P. Green Miller, prohibition chief for the Kentucky-Tennessee division. The nature of the testimony of the two men who have also appeared before the federal grand jury here which is conducting an investigation of the cases, was not disclosed.

During the questioning of Collins and Miller by the committee, Assistant Attorney General William H. Davis, who are among the department of justice officials appearing before the grand jury here, were present.

JURY DISAGREES

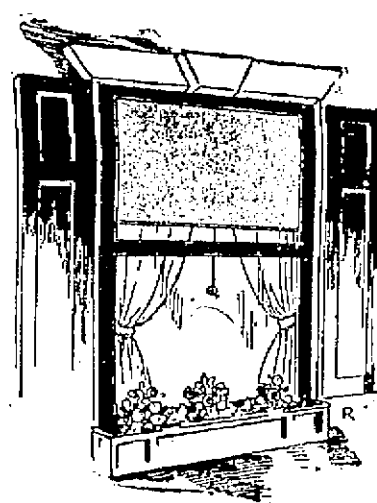

CLEVELAND, March 18.—(By The A. P.)—For the second time within two weeks, a federal jury disagreed in the case of Police Sergeant Anton Cerba and was discharged by Judge Paul Jones tonight. Cerba was charged with possessing liquor following a raid on his home in January headed by State prohibition Inspector James Mangum. Six quarts of whiskey were seized. A third trial was set for March 25 or thereafter.

AND NOW, MADAM, THE WINDOW SHADE YOU CAN WASH!

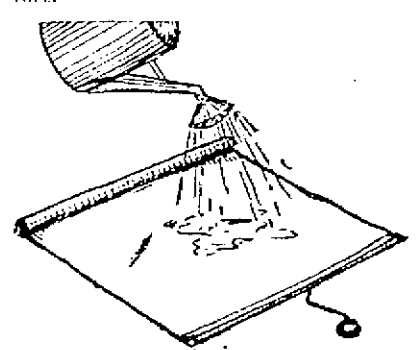

DUPONT TONTINE

THINK OF IT! A window shade that rain, snow or the elements cannot damage. One that you can wash with soap and water. A window shade that is non-cracking, non-shrinking, and non-sagging. One that retains its fine gloss and mellow color despite time and hardest wear.

Today, Madam, we offer it to you. It is Dupont Tontine Washable Shade Cloth and is now sold in Portsmouth at this store. We invite you to become fully convinced of its merits.

There never has been such a shade cloth before. Soap and water keep it perpetually new; nothing but willful abuse can damage it. It comes in all desirable single and duplex colors and in widths up to 72 inches. No modern home is complete without it.

Scrub it with soap and water. Dupont Tontine Shade Cloth comes out fresh and clean with no damage to the texture.

Telephone 160 — Drapery department, 3rd floor — for complete details. A representative will take measurements in your home, upon which estimates are based. No obligation.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or the flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist, Creomulsion Co., Atlanta, Ga.—Ad.

What Users Say About "Trublpruf" Tires

THE firms mentioned here have kept accurate records and their reports on the money saved by the use of "Trublpruf" tires are valuable.

A REPORT prepared for the Ford Motor Company on the cost of operating the Ford fleet of the M. Piper Co. (Bakery) of Chicago comments on the tires in part as follows, "On the Fords we get a life of 20,000 miles with these tires at the remarkably low cost of 34c per mile."

Liberty Yeast Corporation, Cambridge, Mass. "We are using them on several of our cars and figure that they cut our tire expense to the extent of at least 25%."

Home Service Co. (Laundry) Los Angeles have 205 delivery trucks equipped with "Trublprufs." They say, "In the past year we have reduced our tire expense 42% and at no additional expense for replacement of parts whatsoever."

PEOPLES BAKING CO. of San Francisco and Oakland with all of their 128 delivery trucks equipped with "Trublprufs" report a saving in tire expense of 53%.

The Rainbow Coal Co. of Macon, Ga., say, "They have reduced our tire bills over fifty per cent (50%) besides the loss of time saved in fixing punctures and blowouts."

Dixon Bros. Boonton, N. J., operate seven Ford trucks and say the saving per year, "will amount to at least one hundred dollars per truck. Add to this the fact that we eliminate the services of one man formerly employed to look after the pneumatics at least the greater part of the summer months and the loss both in time and ice due to trouble on the road."

"Trublpruf" tires fit standard wheels. They are built on demountable and press-on rims. A wrench is the only tool needed to apply the demountable type. The press-on type is applied like a solid tire. Write us.

"Trublprufs" Will Do As Much For You

What "Trublprufs" are doing for the firms mentioned above they are doing for many others who could also be mentioned. Why not put yourself in a position to offer this equipment to your present and prospective customers?

OBITUARY

William Chandler
Among those from Lucasville who attended the funeral at Glendale yesterday of William Chandler, of Beaver, were Lewis McKinley, Clyde Cook, Mr. and Mrs. John L. Canfield and daughter, Clyde Hunt and Rev. G. H. Weaver. It was a Masonic funeral. Rev. Shepherd, of South Webster, was in charge.

John Campbell
Word has been received here of the death of John Campbell, a former Lucasville resident, who lived near Three Locks, south of Chillicothe, for a number of years past. Some time ago Campbell was struck by a train and badly injured. He was a truck driver for the N. and W. Ry. He died the night of March and was buried March 9, near the Locks.

Mrs. Mary Scholl Shump
Friends of Charles L. Shump, son of Mr. and Mrs. T. C. Shump, of 1549 Seventh street, will be sorry to learn that his wife, Mrs. Mary Scholl Shump, passed away Friday, March 13, in Mount Hospital after a 36 hours' illness. Mrs. Shump leaves her husband, two children, Charles Jr., 18 months, and Eugene, six days old, her mother, Mrs. Della Shump, a brother and two sisters in Columbus.

Mr. and Mrs. Shump were married two years ago at the T. C. Shump home on Seventh street. They resided in Columbus shortly after the marriage.

Infant Dies
A daughter born Wednesday to Mr. and Mrs. George Montavon, of Carey's Run died shortly after birth Tuesday in Carey's Run hospital.

Burial in Lucasville
The body of the late Mrs. Samuel Shields, who passed away here several days ago, was laid to rest Tuesday in the Lucasville cemetery.

noon, will have to step lively, judging from the interest that is being exhibited in the program that will be rendered by the Hiram Glee Club, who will be the guests of the company during the noon hour. The club is composed of twenty-four young men, representing almost as many states in the Union, and they all no doubt be impressed with the hospitality that will be shown them by the Selby Shoe Co. The club will appear tomorrow, Thursday, evening at 8 o'clock and it is interesting in their coming has grown to white heat.

of funds for tickets from all parts of the city are coming in and Robert Holbrook, chairman of the committee, believes the largest crowd that ever heard a concert at the First Christian will be present.

The club will arrive here on Thursday noon, and will be taken to the church, where dinner will be served. The evening they will be the guests of the Selby Shoe Co. The banquet hall will be decorated in the college colors, and a fine spread will be set before the boys who have never forgotten the hospitality shown them when here before. In fact, the club published the following statement in their college paper, the Hiram Advance: "This trip was largely made possible by the generosity of the First Christian church of Portsmouth. The club visited Portsmouth four years ago and is anxious to renew acquaintances. The club every year will give the cash admissions at the door and the sale of tickets. Admission to the concert at the church will be fifty cents for adults and 25 cents for children under twelve years of age."

Donald M. Shumaker, a senior in the college, is a member of the club and is anxious for Portsmouth people to make good on everything for he has been a perpetual booster for Portsmouth since he entered school four years ago.

Local News

Arthur McDermott, 41, of 1407 Eleventh street, brickworker, arrested by the police last Saturday for alleged sale of liquor, was dismissed by Judge Sprague in Municipal court, for lack of convincing proof. McDermott's arrest grew out of information furnished by a man arrested for possessing a half-pint of liquor but who was unable to positively identify the defendant as the man who sold him the fluid.

A busy session was held by Delta Camp, Royal Neighbors, Tuesday night when five were obligated and nine applications were favorably balloted upon. The quietest obligated included: Mrs. Cora Middleton, Mrs. Lucille Crawford, Mrs. Mary Inny, Miss Margaret Friggin and Mrs. Orpha Balke. Next Tuesday class about 25 will be admitted. Visitors are expected to be present from Ironton and Chillicothe. Refreshments will be served.

John Simonton, 67, well known N. & W. engineer suffered a slight stroke of paralysis on his right side Monday night. He is at his home in Selotown. Mr. Simonton is a grand engineer and is about the third oldest engineer in point of service on the N. & W. between Portsmouth and Columbus.

The opening of the new Radio Department of Sommer's Electric Co. proved to be a crowd-attracting event last night. The store was thronged with radio interested people, every available spot containing a filled chair. The sidewalks were lined with those who were unable to get inside but the broadcasts were coming in so strong that they were easily able to hear. Concerts were heard from Pittsburgh, Hastings, Neb., St. Louis, Newark, N. J., Fort Worth, Texas, Chicago and New York.

Boy Scouts on the A. B. C. traffic squad handled the intersections at Chillicothe and Fifth, Portsmouth, Tuesday morning during the busy time of the day. The boys make real traffic officers and keep the traffic moving nicely. They are right on the job and have prevented traffic congestion at these busy downtown intersections.

Herbert Wesson, 23, Pond Creek farmer, taken into custody by the police for selling liquor, pleaded guilty when later brought into Municipal court, and Judge Sprague fined him \$200 and costs.

Wesson was arrested on information obtained by the police in connection with bootlegging operations at a soft drink establishment on North Chillicothe street. The defendant admitted to the court that when at the establishment in question Saturday he went out and bought a half pint of liquor for another man, whose name he was unable to tell and his memory was just as poor on the score of identification of the man from whom he obtained the liquor.

Memory Poor, Negress Sent To The County Jail
Louise Cummings, 28 years old, negress, of Kinney street, forced up on liquor last night and it must have been a bad brand of "beotch" as it caused her to go on the warpath through the North End. The police, attracted to the scene by the disturbance, then got Louise and walked her to the city jail on a charge of intoxication.

When the prisoner was brought into Municipal court Wednesday afternoon she admitted guilt, but had a poor memory as to the identity of the two colored men whom she claimed to have joined in a drinking bout behind a dilapidated building. Judge Sprague suggested that a correspondence course in memorizing would do Louise good and then passed her a fine of \$10 and costs and sent her to the county jail for 24 hours to think the matter over.

Garmi Thompson Says He Has No Land Deals in The Southwest

CLEVELAND, March 19.—Col. Garmi A. Thompson of Cleveland, named in the Washington Teapot Dome investigation by Tiffin Gilmore in connection with a land deal, when reached by telephone at Ironton, Ohio, said:

"I have never had a land deal of any kind in the southwest. I do not recall the conversation referred to with Gilmore."

Mr. Thompson will return to Cleveland Friday. He said he would appear before the senate investigating committee when subpoenaed.

To Whom It May Concern

I want to give my testimony concerning Chiropractic.
I can say that the Chiropractors has been a great help to me. I was given up to die by the MD.s and I can truthfully say that the Chiropractors did me more good in one week than the M. D.'s did in ten years.

My major trouble was stomachtrouble and Liver trouble. My diet was raw eggs and butter milk.

Now I eat anything I care to. I used to be constipated so I had to take pills all the time. I have not taken any pills since I have been going to the Chiropractors.

So I recommend Dr. D. D. Owen as a first class Chiropractor, I have tried him and I know he is good.

NEW POWDER FROM ITALY MAKES RHEUMATIC PAINS GO QUICKLY

No Medicines to Take Internally. A startling New Method of Treatment.

The well-known Italian physician, Alessandro Volta, for whom the electric volt has been named, has made a scientific discovery that promises to make rheumatic pain a thing of the past for the thousands who have suffered its terrible tortures.

He compounded a powder called Volta that is claimed to be a powerful and active Gric Acid solvent. It is not taken internally, but is shaken into the shoes or stockings and is absorbed through the pores in the soles of the feet. It is intended to be absorbed almost immediately into the blood, and this is due, no doubt, to the fact that the soles of the feet contain over ten times the number of pores to the square inch as does any other part of the body.

Remarkable and rapid have been the results from the use of Volta powder, both in this country and in Italy, that the American distributors have authorized local druggists to dispense Volta with an unqualified guarantee of relief from the use of the very first package or your money will be refunded.

You can get a box of Volta, from such good druggists as Stewart's Cut Rate Store, Warrenton Bros., Fisher & Streich—Advertisement.

STOCKS REGAIN STRENGTH; PRICES SHOW FIRM TONE

C. & O. Continues Its Rise; Many Stocks Recover From Recent Heaviness

NEW YORK, March 19.—Short covering operations imparted a firm trend to opening prices in today's stock market. Local and medium priced stocks were again in good demand, Erie and Chesapeake and Chesapeake and Ohio continuing their rise to higher ground. Tobacco Products which were heavily sold yesterday, rallied a point.

Prices continued their upward trend throughout the early dealings, with the principal fluctuations taking place in the specialties. Standard industrial showed little change except for a renewal of selling pressure against Studebaker which yielded a half. Other automotive shares

made good recovery from recent heaviness. Mack Truck, Fisher Body and Maxwell "A" rising 1 to nearly 2 points. General Electric moved up 1 to 2 1/2, another new high since 1920. Other strong spots included Central Leather preferred, Matheson, Alliant, National Lead, and Colorado Fuel up 1 to 3 points. Foreign exchange opened steady.

Concentration on the motors, independent steel and shipping shares, bear traders later renewed selling pressure against the general list. Crucible was hammered down four points to a new low of 46 and the increase in American International Corporation deficit also sent that stock to a new low. Chandler and Studebaker established new minimum prices at 53 1/2 and 90, respectively, and further foreign exchange made in Nash Motors, Willys-Overland preferred and Stewart-Warner. General Electric continued its sensational climb, touching a new high at 231. National Lead extended its gain to seven points and Norfolk and West-

ern mounted three points to a new high for the year at 124 1/2, an announcement that the Pennsylvania had taken first steps to lease the road. Oil money opened at 45 per cent and later fell to three per cent, the lowest rate since August, 1922.

NEW YORK, March 19.—Speculators for the decline renewed their attack against today's stock market, concentrating on the motor, independent steel and shipping shares, and they encountered much stronger resistance and were again forced to cover extensively in closing dealings. Buying for the long account was financed by easy money rates, called bulls being obtainable at 3 per cent, the lowest since August 1922. The close was irregular. 1,000,000 shares.

CLOSING PRICE OHIO STOCK
COLUMBUS, March 19.—Cities service common 146 1/4; do preferred 72 1/4; pure oil 23 1/2.

SHARP BREAKS IN THE PRICE OF WHEAT

CHICAGO, March 19.—Sharp new breaks in the price of wheat took place shortly after the market opened. General liquidation on the part of holders was started by persistent selling that came from houses with eastern connections. No support for values was shown except demand from previous sellers who were in a position to collect profits. The opening varied from unchanged figures to 1/4 to 1/2 lower, with May 1.07 1/2 to 1.05, and July 1.06 1/2 to 1.04, was followed by a irregular setback of nearly 1/2 cents all around.

The close was steady, 1/4 to 1/2 net lower; May 1.07 1/2 to 1.04, and July 1.05 1/2.

Corn and oats weakened in sympathy with wheat, corn dropping to last week's inside figures. After opening 1/4 to 1/2 off, May 77 1/2 to 77 1/2, corn fell to 77 1/2. The close was unsteady, 1/4 to 1/2 net lower, May 77 1/2 to 77 1/2, corn fell to 77 1/2.

Produce Market CLEVELAND, March 19.—Butter: extra, in tub lots, 50¢/lb; extra first, 48¢/lb; first, 46¢/lb; packing stock 25 to 30; Standard, 20¢/lb; prints one cent a pound extra.

Eggs: fresh gathered northern extras 25; extra firsts 21; Ohio firsts 22 1/2; western firsts 23. Oleomargarine: (prices to retail) extra 24¢/lb; light grade, made of animal oil, 27¢/lb; lower grades 26¢/lb.

Cheese: old york state, 28¢/lb; brick 26¢/lb; fancy Swiss, 42¢/lb; Limburger 30¢/lb; imported 50. Poultry: live fat fowls 25; springers 26¢/lb; old roosters 16¢/lb; 25; medium fowls 25; leghorn 17; heavy ducks 20; light colored fowls 22; geese 20¢/lb.

Heavy Buying Of N. & W. Bonds; Traction Issues In Demand

NEW YORK, March 19.—Announcement that the Pennsylvania railroad had taken first steps to lease the Norfolk and Western stimulated heavy buying of the latter road's convertible 4 1/2's in today's early dealings. Mountain 3 1/2's, the bonds kept pace with a four point rise in the stock and touched a new high record at 125 1/2.

Trading interest was centered largely in the railroad and local traction issues. Seaboard's new high level at 80, and Interborough and the Lehigh Valley railroad asked permission to issue \$10,000,000 five per cent bonds to reimburse the treasury for recent refunding operations.

Seek Jury In
McGray Case

INDIANAPOLIS, IND., March 19.—(By the Associated Press)—Examination of testimony by the prosecution in the trial of Governor McGray charged with embezzlement of state funds, was continued in criminal court here today. Fifth Indiana, special prosecutor who took up the questioning late yesterday, laid particular stress on the fact that the accused is the governor and by virtue of his office, could exert wide influence. Each prospective juror was subjected to a searching examination as to whether it was possible he could be affected if such influence was exerted.

Work of selecting a jury is proceeding very slowly. With the third day of the trial in progress only forty of the two hundred taxpayers had been examined. Twenty-eight of these were dismissed and for the twelve remaining in the box it was indicated that more than one will be retained. The prosecution has exercised none of its ten peremptory challenges as yet and the defense can still claim nine.

Secret of Prosperity
Without Work

TIPPIN, O., March 19.—(By the Associated Press)—The secret of prosperity without labor was expanded to police here today by Harry Smith, of Fremont, arrested on a charge of vagrancy. "Work is monotonous," was Smith's philosophy. "Then it is so tiresome. Begging is a cinch. Here's the result of six hours of it."

With that he turned a pocket inside out and 80 in nickels and dimes rolled over the police station floor.

NEW YORK DAY-BY-DAY
BY O. O. McINTYRE

NEW YORK, March 19.—I recently watched an international romance reach the nuptial altar. The principals were a forty million-dollar heiress and an impoverished Austrian nobleman. Each happened to live in the hotel where I reside.

Many weeks have passed and reports have it they are happy. He was said to exert the same powers ascribed to the legendary serpent upon the slightly more legendary bird. I doubt it. He was a first-class dancing man with a worldly polish and that is about all.

Their marriage was inspired by two compellents—propinquity and forbiddance. The girl, buttressed by a grandfather's millions, might have picked her choice from the social register, yet she chose an impoverished Austrian nobleman.

A hard working young man of good American stock with whom she broke her engagement wishes her well. It is an old, old story in New York. The polished foreigner captures the moneyed matrimonial prize. And the rest is told in divorce courts.

There are at least a hundred land-poor foreigners in town who make no pretense of being here for any purpose save to marry rich American girls. They know society will take them up, no matter whether their brutality is real or imagined.

They live in the best hotels and pay their bills with money borrowed from social climbers who are eager to be seen with a visiting title. A famous head waiter tells me he has seen few pay a dinner check. They look out the window instead.

They are usually adept at tennis or some other sport and are treasures around the tea table. Yet not a one will take off his coat, roll up his sleeves and try to carve a career as his lowly immigrant brother does.

A successful New Yorker recently returned to his home town in Illinois. In his youth there was a beautiful lady there who wore what seemed to him a gorgeous pair of diamond earrings. He used to dream of the day when he might buy such baubles for his lady fair.

On a village street he met the lady. His success had become known and she was patronizing. He asked her about the diamond earrings. She had them but didn't wear them any more. She was old and for jewelry.

So he bought them and brought them back to his wife. She immediately had them made over into a bar pin for a relative.

Outside of the young ladies who serve at the elite counters in New York department stores, the most beautiful girls in New York are to be found crying "Claret! Claret!" in cafes. As a rule they work during the day and increase their earnings by night work. There is a brooding sadness in their eyes.

Almost without an exception they are girls upon whose shoulders heavy family burdens have fallen—sick husbands or families to support on slender salaries. They are paid small wages as cigarette girls, but if the trade is lively the tips run into a sizable sum.

New York is no place for the man of leisure. Men who retire usually leave the city. Unless they plunge into the dizzy vortex of the high

Strollers Score Hit in "Magnolia"; Is Repeated At High School Tonight

Shut your eyes tight, and then say "Magnolia" very softly, and if you are ever been in the Southern States in the springtime, the very sound of the word calls up memories of sunny days, great waxy blossoms, genial hospitality, a life with a touch of romance that is inevitable under the spell of southern skies. In "Magnolia," presented by the Strollers of Ohio State University before an enthusiastic audience in the high school auditorium last night, Booth Tarkington has captured all the charm and fragrance of the southern life. And the University players have caught it, too, and give a charming representation of the days when ladies played, and gentlemen drank mint juleps and fought duels over the fair ladies' hands.

"Magnolia" is the name of the southern colored maid of General Orlando Jackson, a blustering bully, who wears a black patch over one eye, not because of his first wife hit him with the corner of a hymn book, but because the gambler's trade, and in the third act returns to flaunt his courage in the face of the family that had called him a coward seven years before.

Ray Leo Jackson, coach for Strollers, has staged the production with a fine sense of balance and a sure knowledge of grouping. His series of stage pictures is eminently satisfying. He has achieved another success in giving to his players, consistent southern drawl that is not exaggerated. Of course there are highlights in the cast. Perhaps the ones that shine most brightly are Edwin Judy, on whom falls the brunt of the longest part, for as Tom Rutherford he is on the stage most of the time. William H. Price, who does an excellent piece of character work as the father, General Rutherford; Michael Gumble, whose portrayal of Elvira is professional in the pose and ease of her acting, and whose facile changes of expression bring a deal of life and brightness to the part; Margaret Fulton, a gorgeous, auburn haired child in the first act, and a delightfully poetic woman in the last act; Jean Constable, a thoroughly consistent actress who was never for an instant out of character in the vivid role of Mexico, the quadroon slave in the gaming resort. Of lesser magnitude, but twinkling brightly were Syd

Hoagland as Captain Blackie, who won a spontaneous round of applause in his blustering scene in the second act; H. Morton Bodfish, as General Orlando Jackson, who could kill a man and then consume a great platter of ham and eggs; Lynn Holcomb, as Major Hilary Patterson, and C. Emory Glander as his brother Joe.

Dorothy Failer, who plays the part of the mother who wants to be sure her two nieces, really adopted daughters, are safely married.

"Magnolia" will be repeated at the high school again tonight and should be greeted by a packed house. Tickets are on sale at the Smoke House and for a half hour before the performance at the high school building.

Local Chapter of De Molay To Be Instituted March 27

At a called meeting of the advisory committee, held at the Masonic Temple Tuesday night, relative to the installation of a Portsmouth Chapter, the Order of De Molay Boys, it was decided to hold a meeting on Thursday night of next week, when the organization will be launched in this city.

Already several applications for membership have been received and according to reports received by the committee, presided over by the chairman, H. Glen Duls, the chapter will start off with at least thirty members.

An election of officers will be held on the night of the meeting, but the chapter will be installed later on by the omnibus chapter. The installation ceremonies will be held in the blue lodge room, and will likely be open to all Masons in the city.

The purpose of the Order of De Molay is to make better boys, better men and better citizens. The degrees teach reverence, patriotism, filial love, clean living and good citizenship. Sons of Masons and their chums between the ages of 15 and 21 are eligible for membership. Naturally good morals and other fundamental requirements are insisted upon.

Reverend Harold Holt, of All Saints Episcopal church, a member of the advisory committee, was present at last night's meeting and gave some valuable advice. He is intensely interested in the establishment of a chapter in this city. He is a "live wire" in boys' work, and has had much experience in the Order of De

Thursday is the Last Day of Damadian's Oriental Rug Sale

Many Beautiful Rugs Specially Reduced will be Offered Tomorrow

Damadian's visits have won him a reputation for fair dealing and integrity. He has sold many of the fine rugs in Portsmouth homes, and his list of customers grows longer with each visit. Confidence in both the merchant and his wares is especially necessary in the purchasing of Oriental Rugs because few are able to distinguish the good from the bad. We can recommend Damadian's collection as one of thorough reliability. His fine knowledge of Oriental Rugs, and the keen interest he takes in each customer, is an assurance that those who choose from his assortments will choose wisely and well.

The present exhibit is one of the largest that has ever been shown in Portsmouth. Such a collection is little short of an event, and we invite you to view it.
